

**COUNCILMEMBER DONNA FRYE**

City of San Diego  
Sixth District

**MEMORANDUM**

**DATE:** April 15, 2004

**TO:** City Attorney Casey Gwinn, City Manager P. Lamont Ewell

**FROM:** Councilmember Donna Frye

**SUBJECT:** Review of City's Vehicle Abatement Policy

---

I am concerned about a long-standing problem in my district. Many constituents call my office on a regular basis to voice their concerns about the growing number of recreational vehicles, trailers and boats parked on City right-of-ways. The law requiring owners of such vehicles to move 1/8 of a mile every 72 hours is not effective in addressing this problem. Owners simply "tour" their neighborhoods, evading the purpose of the ordinance. I am requesting that the City Attorney's office research further options as to how the City can strengthen its policy on this matter.

Thank you for your prompt attention to this request.

**CC:** Mary Rea, Deputy Director Parking Management
